

ARMSTEINS LADDER OF PARTICIPATION EXERCISE

Objective: to identify key questions about pilot implementation.

Methods: Explain the approach of the project, in order to reach the last step of the ladder.

Using this model think of a time in your individual practice when you have worked in the ways described in the headings.

Doing to

Where does this fit on the Ladder of Participation?

What outcomes did it achieve?

How might you have achieved a better outcome?

Doing for

Where does this fit on the Ladder of Participation?

What outcomes did it achieve?

How might you have achieved a better outcome?

— ACCESS ENTERPRISE

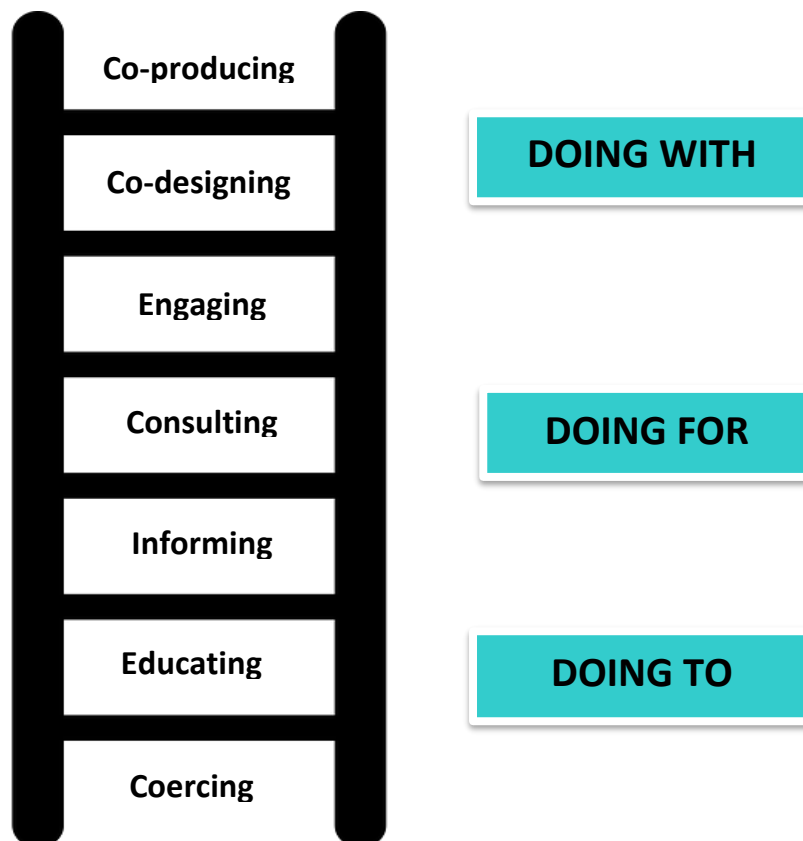

Doing with

Where does this fit on the Ladder of Participation?

What outcomes did it achieve?

How might you have achieved a better outcome?

The participation ladder begins with coercing and going up the following points: education, informing, consulting, engaging, co-designing and co-producing

Share you reflections with your group and discuss which model would gain the best outcomes in your day to day practice.
